

GARY REPORT

Vital Update

During March, April, and May, we are seeing an intercession, even a type of the kingdom of heaven, that the Father is effecting. With regard to the church, the kingdom of heaven on earth, first there was the first Remnant, lasting a mere one and a half years. It was a good work, being kept pure. And per the Africa work, we saw this testimony in March as well. How? The first Remnant received the kingdom with power, and they sold their property and held all things in common. Likewise, in March a Bride brother in America sold his home and gave all of the profit to the Bride—and it was no small amount, adequately providing funds that have met our needs, even up to now.

But then came the breach of Christianity, and one would thereupon expect a bad testimony taking place in Africa per April. Here man corrupts the kingdom, evidenced through all of the afflictions and corruptions that occurred when Yahshua was delivered into the hands of the Romans: “so His appearance was marred more than any man and His form more than the sons of men” (Isaiah 52:14). And as went Christ, so had to go the Body of Christ—no longer even looking like Him, and absent of the power to be delivered from the enemy, Satan!

So, what testimony has April brought in Kenya? Even as we need the oil and the power of the Spirit, so fuel, coming from oil, suddenly became unavailable! Gasoline and diesel essentially came to a halt, and you can only imagine the ensuing shocking and harmful consequences, including skyrocketing prices for everything! And again, this is what happened to the church while in this long breach of Christianity. Show me today the kind of power that the first Remnant had. It does not exist. As with the fuel in Kenya in April, that power is not available. People clamor for the Spirit, the oil, but it's not there. Watch this [video report](#) from Kenya, and think about how churches clamor in the same way for the oil of the Spirit, but gain very, very little. It too is being “rationed!” People are thirsty, but it's not there. Yahshua was crucified on [April 1](#), and quite fittingly, this month of April clearly attests to Breach Christianity that lacks in oil. It's the dreaded breach!

So, what is our hope? That we get through April, and in May I begin teaching in Africa the much-needed truth of the Bride. Beginning on May 17, we finally have our first teachings in Nairobi. There will be four days of teachings, at four separate locations, each having an attendance of 2,000. From there we are going to Mombasa for three like teachings. I have wanted to go to Mombasa for a long time, and sowed a BIG seed on one occasion, and am finally able to do so. May Yahweh give us abundant success.

Next, we had planned to go to Zanzibar, Tanzania, for two meetings, but COVID has stopped that for now. Again, we look to the Father for this. And from there we will go to Rongo and set up tents that will accommodate the thousands who will come to be taught. In fact, five new tents are being acquired, two purchased by one man, which will hold thousands. The Bride Hall is now too small to hold the crowds. And if the Spirit is

poured out, that will be a whole new situation! And that is what we need, what all mankind needs! The latter rain!

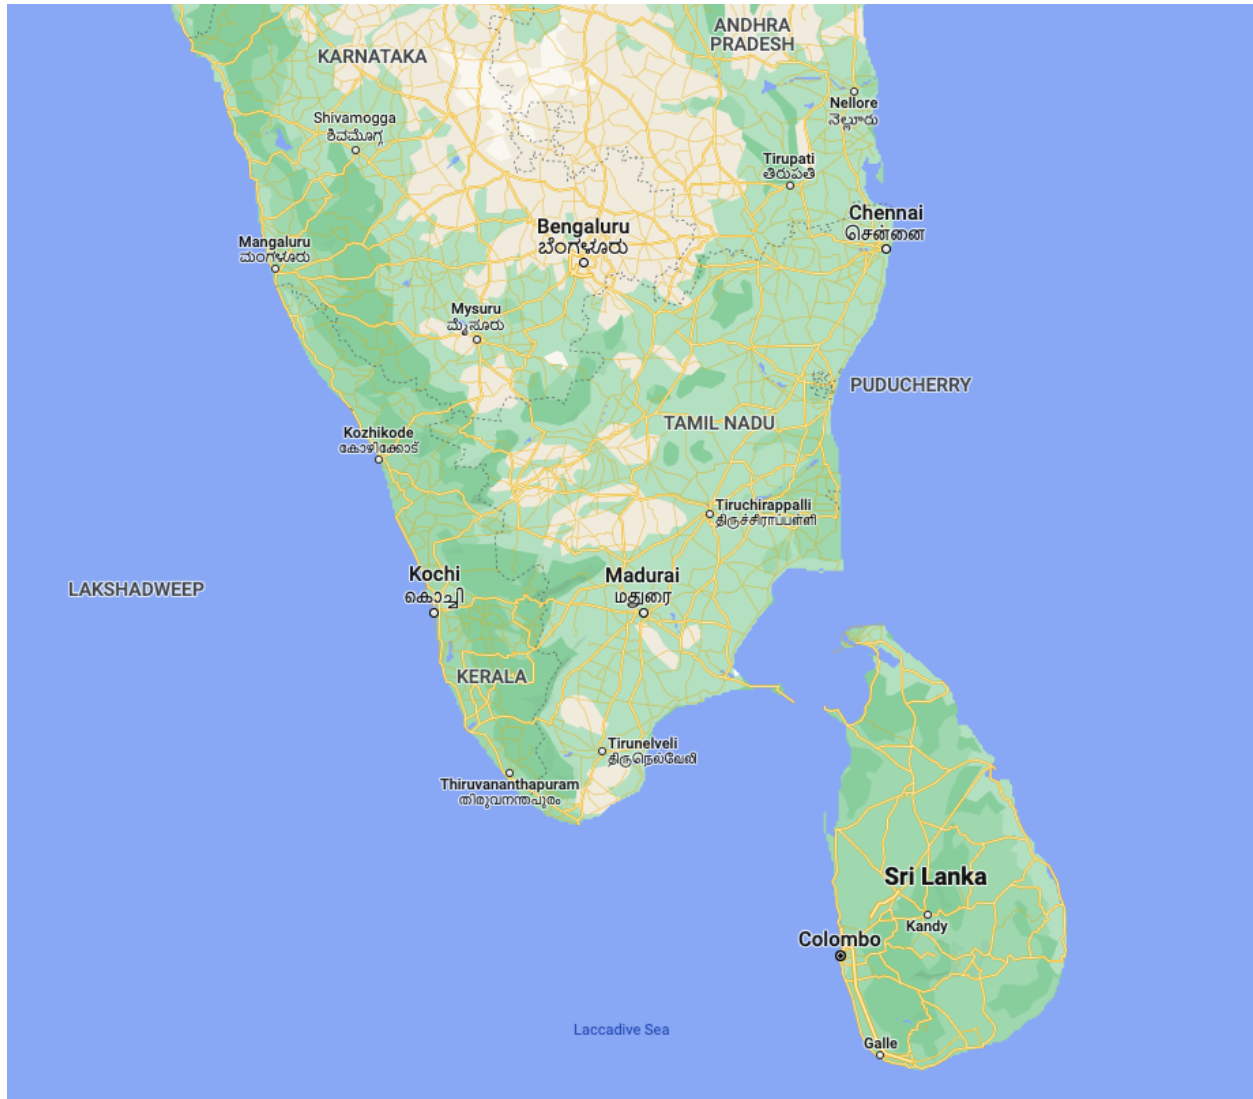

And regarding these three months of March, April, and May, we likewise find evidenced the three one-thousand-year periods wherein He passes over the first, He passes over the second, and He takes the third (the [passing over principle](#)). And we look to Yahweh to complete in May what He began in March.

Now let me share with you something the Father just now opened my eyes to see. I trust that since I have seen it, I can share it. In fact, long ago I told the Father not to show me anything that He did not want man to know, because I will share it. So here it is.

You are familiar with this image of Satan clearly engraved on Africa as stated in Zechariah 3:9: “For behold, the stone that I have set before Yahshua; on one stone are seven eyes. Behold, I will engrave an engraving on it’ declares Yahweh of hosts, ‘and I will remove the iniquity of that land in one day.’”

But only now, Yahweh showed me a most revealing and hopeful like image, but this time in India (meaning, “river”).

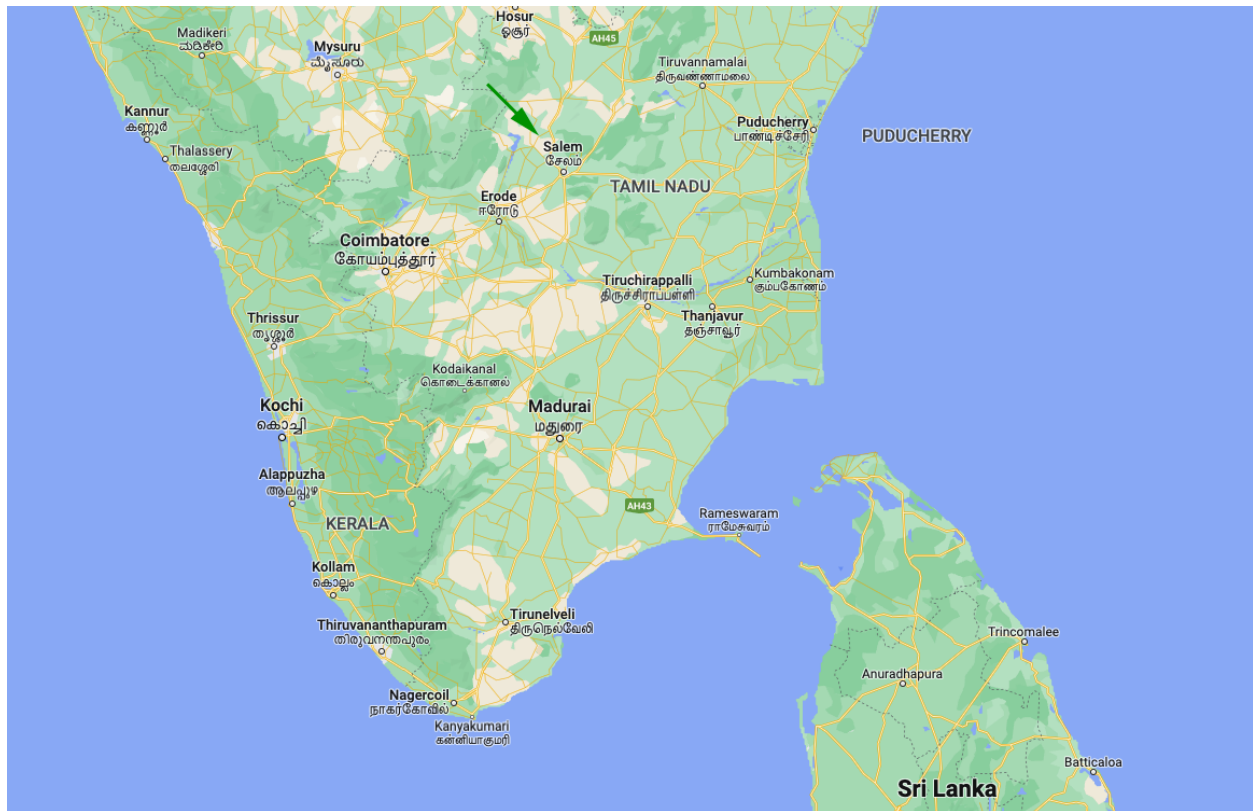

What is this? Well, what has to take place with Satan? By entering into Judas at the Passover meal, he became the twelfth apostle. This office did not go to Mathias via the casting of lots. Yahshua Himself clearly said, “Did I Myself not choose you, the twelve, and one of you is the devil” (John 6:70)? So what we see here is an image of the twelfth apostle for the last two thousand years. But, that office has to go back to a man.

Judas —> Satan —> a man

And that is exactly what we see in India. Look at the southern part of India, from Chennai down, and what do you see? The like image of that seen in Africa! Facing in the same easterly direction, you see a forehead, a nose, a mouth, and fittingly maybe a beard protruding from the chin. And distinctly amazing and highly confirming, just as the image of Satan on Africa faces a large island, Madagascar, equally this like image faces the large island of Sri Lanka. And here once again, now in a positive testimony: Sri Lanka means “attractive and impressive through being richly colorful or sumptuous.” Such is the Bride to Yahshua, whom Satan hates and would want to destroy.

And most noteworthy, look at Chennai. In Satan Africa, that is where the horn protrudes out. But not in Satan's replacement. Instead, it has been broken off, removed! The curse has been removed!

And equally interesting and revealing, in the location which would be the facial temple of the image, is a beautiful city named Salem—a name unique for that country. And, this happens to be the name of the town where I live. Happenstance? Given the whole of these two images, I would say not so.

And finally, distinctly different from Africa, you will notice that now there is no limit to the cranium, but instead dramatically expands upward and outward.

Thus it is written, “But as for you, Daniel, conceal these words and seal up the book until the end of time; many will go back and forth, and knowledge will increase. Then I, Daniel, looked and behold, two others were standing, one on this bank of the river and the other on that bank of the river” (Daniel 12:4-5). And remember, “India” means “river.” This is the same pattern as on the mount of transfiguration. These are the two Remnant, the latter receiving insight and understanding that has never before been seen. And, I’m even still in the flesh. What more do we tap into when we enter into our born-from-above bodies? It will be truth without end, as that image illustrates!

And appropriately, I have long desired to go to India to share Bride truth, and there have been testimonies that lead in that direction. There are 80,000 Indians residing in Kenya, and are typically quite successful. And amazingly, a number of them have converted to the Bride. And even more so, they have helped the Bride, including financially. In fact, the Bride facility in Rongo would not be what it is apart from a businessman of Indian heritage. And there are others as well who have helped in various ways. And when Caleb had cancer, he went to India and was healed. And when he got River Blindness, an Indian (“river”) doctor brought back his sight. And as well, that doctor’s eyes were opened as he became a Bride brother. Definitely, already India is united with the Bride, and I long to go there. And personally in my earlier years, I had a close relationship with an Indian man from Kerala, towards the tip of India. Furthermore, southern Indians are actually dark-skinned as in Africa. So, another tie.

But for now, we look to the Father to perform his amazing work in Africa, and deal with Satan and reverse the curse on that continent, and on all mankind. Satan has afflicted men for six thousand years, and of necessity Yahweh must cut time short and send His Son back to this earth as King of kings. But, this is only possible when He can bring His two-part bride with Him. For now, we look to the Father to perform the work that He alone can do. We are but mere men, subject to many afflictions. And we hope that what we are seeing will come about at this time. Interestingly, and hopefully significantly, Passover this year was from April 15 to the 23rd. Of course Passover has been fulfilled with the death of the true lamb, the Son of God, Yahshua. But there is another event that is most unique, and that is the delayed Passover held by Hezekiah in 2 Chronicles 30. It too was held for seven days, but the event was so wonderful that they extended it to be a double portion. It so happens that these will be the same days when we will be gathering in Kenya with the hope of the latter rain: May 15 to the end of the month. You can read more about this event by [clicking here](#). So, it is all the more with hope we face May and look to the Father to complete what He has begun, not only in Africa, but in the world.

Blessed be Yahweh forever. Amen and amen!
